*The Louisville Dulcimer Society was formed in 1978 by a group of dulcimer students who wanted to continue and extend their music learning and fellowship.*

*Our members encompass all levels of musicianship from beginner to professional and all acoustic instruments are welcome. Our meetings are both social and musical and are currently being held on Sunday afternoon from 3 to 4:30 pm at the Jeffersontown Senior Center located at 10631 Watterson Trail Jeffersontown, Ky. Time and locations are subject to change. Note that currently the Senior Center requires that all persons entering the facility be fully vaccinated against COVID-19.*

*To become a member of the Louisville Dulcimer Society, complete the form below, detach it and return it with a check for \$20 to the address given at the top of the page.
